

# TROPHY BLACK BEAR

We have very healthy Black Bear populations. Here you have a great opportunity to harvest a color phase bear or a Pope and Young class trophy.

We offer hunting packages in both Spring and Fall. Both packages include: 6 nights in a modern cabin, 5 day hunt over active baits, pre-baited sites with stands in place, preparation of your trophy for taxidermist.

Hunting with bow, muzzleloader, or rifle are legal during both Spring and Fall hunts.

Call or email for more details and pricing, or check us out on our website.
